FORWARD-LOOKING STATEMENT

SAFE HARBOR STATEMENT

This presentation contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 including, without limitation, statements regarding the expected impact of tariffs and raw material inflation, product line simplification activities and enterprise initiatives, future financial performance, operating performance, growth in free cash flow, organic and total revenue growth, operating margin growth, price/cost impact, growth in diluted income per share, restructuring expenses and related benefits, expected dividend payout ratio, expected repatriation, growth in after-tax return on invested capital, expected total shareholder returns, effective tax rates, exchange rates, timing and amount of share repurchases, end market economic and regulatory conditions, expected impact of acquisitions and divestitures on financial results, and the Company's related 2019 guidance. These statements are subject to certain risks, uncertainties, and other factors which could cause actual results to differ materially from those anticipated. Important risks that could cause actual results to differ materially from the Company's expectations include those that are detailed in ITW's Form 10-K for 2018 and subsequently filed Form 10-Qs.

NON-GAAP MEASURES

The Company uses certain non-GAAP measures in discussing the Company's performance. The reconciliation of those measures to the most comparable GAAP measures is detailed in ITW's Form 10-K for 2018 and the appendix of this presentation.
